In exercising its rights to explore and produce minerals, Grantee, and its successors and assigns, shall consult with Grantor and make reasonable accommodations for any existing use of the surface by Grantor or any future planned use known to Grantee, provided, however any such accommodations shall not preclude Grantee or its successors from drilling and operating wells from surface locations on the land which are consistent with the terms of any oil and gas lease which has been entered into for the Premises.

In the event the Grantor owns less than the full interest in the oil and gas described herein, it is nevertheless the intention of the Grantor to convey to Grantee **Fifty Percent (50%)** of Grantor's interest in and to all the oil, gas, coalbed methane, casinghead gas, liquid hydrocarbons, gaseous hydrocarbons including, but not limited to, all of the shales, formations and horizons of all natures or descriptions within and underlying the Premises, believed by the Grantor to include **3.4038 net oil and gas acres**.

Also under the existing Amendment and Ratification of Oil and Gas Lease by and between **John C. Knox and Terri L. Knox, husband and wife**, and **Ascent Resources – Utica, LLC, an Oklahoma Limited Liability Company**, effective as of December 28, 2017 and recorded on April 4, 2018, in **Book 758, Page 13**, in the Official Records of Belmont County, Ohio. Said reserved free gas right is limited to production from the existing shallow well currently located on the Premises and will terminate when the term of said Lease expires. Grantor further reserves from this conveyance the right to any payments due and payable under said oil and gas lease which are payable in exchange for use and/or damage to the surface of the lands described herein.

This conveyance is made subject to any right now existing in favor of any lessee or its assigns under any valid and subsisting oil and/or gas lease on the Lands, but this Deed shall not serve to or be deemed to be a ratification or reviver of any previously granted oil and/or gas lease on the Premises which is no longer valid, in force and effect. Grantee shall have, receive, and enjoy the stated undivided interests in all bonus, rents, royalties, and other benefits which may accrue to the undivided oil and/or gas interest conveyed by this Deed, subject to any rights reserved to the Grantor herein, from and after the Effective Date, as if Grantee had been, at the date of making any currently valid and subsisting lease, the owner of the conveyed undivided oil and/or gas interest in the Lands.

Grantor agrees to execute and deliver to Grantees any further written instruments deemed necessary or convenient by Grantee, and Grantee's heirs, successors or assigns to carry out the purposes of this instrument, including but not limited to an instrument that more completely or accurately describes the lands being conveyed herein, division orders, transfer orders, correction hydrocarbon conveyances, and correction of description.
